

Student Affairs Committee Meeting March 1, 2022 Minutes

11:02 AM Meeting Called to Order

Approval of Meeting Agenda – Motion to approve by Chester Goad– Proper Second from Claire Myers

Approval of minutes dated December 7, 2021– Motion to approve by Chester Goad– Proper Second from Claire Myers

Presentations from Student Organizations:

- **Climbing Club** presented its constitution for review and feedback. The group explained the goal of their Club is to foster a place of community for experienced and non-experienced climbers and find information as well as learn accurate techniques for climbing. (Faculty Advisor: Jess Roberts)
- **Community Health and Nutrition Club** presented its constitution for review and feedback. They explained their organization was established to promote an interest in the dietetics profession. They would also like to promote volunteer opportunities because they are a community-based organization. They also want to use the organization to build lasting friendships between members, even though it will be an online group. (Faculty Advisor: Dr. Samantha Hutson)
- **Student Officials Association** presented its constitution for review and feedback. The group shared that they started the organization to broaden student referees' knowledge of officiation and improve the intramurals program by providing development opportunities for those aspiring to continue in the profession. (Faculty Advisor: Spencer Ryan)
- **University Catholic** discussed constitution updates. The committee recommended some edits, including moving content regarding elections from section 3 to section 1. The committee recommended clarification regarding the dues structure. It recommended a clause to address fees or dues in the event of changes even if they did not plan to collect those at this time. The last proposed revision was a clarification on amendments to the constitution. The organization indicated that it should be 2/3 rather than a majority vote. (Faculty Advisor: Dr. Robert Kissell)

Other Such Matters:

None.
