Dr. Philip Oldham will be stepping in as President on July 1, 2012. President Bell wished him the best at TTU, and would like everyone to welcome Dr. Oldham and his family to the university.

**Suggestion Box Item**

The committee was presented a parking item from the suggestion box and the response from Chief Gay Shepherd.

Is there any way there could be a person to “police” the “pit” (lot between Bartoo/Memorial Gym) like they have in the parking lot behind Henderson Hall? When returning from lunch and trying to park, there are no places to park, but there are student tags in several cars in the lot.  
*Response from Gay Shepherd: We send officers to locations all over campus to issue citations. That particular time frame is prevalent in several faculty and staff areas across campus. I will ask the officers to give extra attention to the pit.*
